The Semi-annual meeting of B'nai Shalom was held, Thursday, April 2, 1981. Those of you who were not able to attend surely missed a good meeting.

The first order of business was the election of officers. The results were as follows:

- President: Harry Glick
- 1st Vice President: Al Ostraff
- 2nd Vice President: Jeremy Friedbaum
- Treasurer: Ron Nielson

Since our scheduled speaker, George Everton, was unable to attend due to a sudden illness, we were able to hear the testimonies of two Jewish converts.

Refreshments were served afterwards with

a good dose of enjoyable conversation.

☆ If you know of anyone who is interested in B'nai Shalom..... pass their name on. Let us know !!!

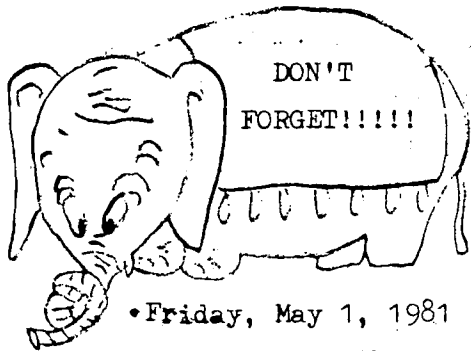

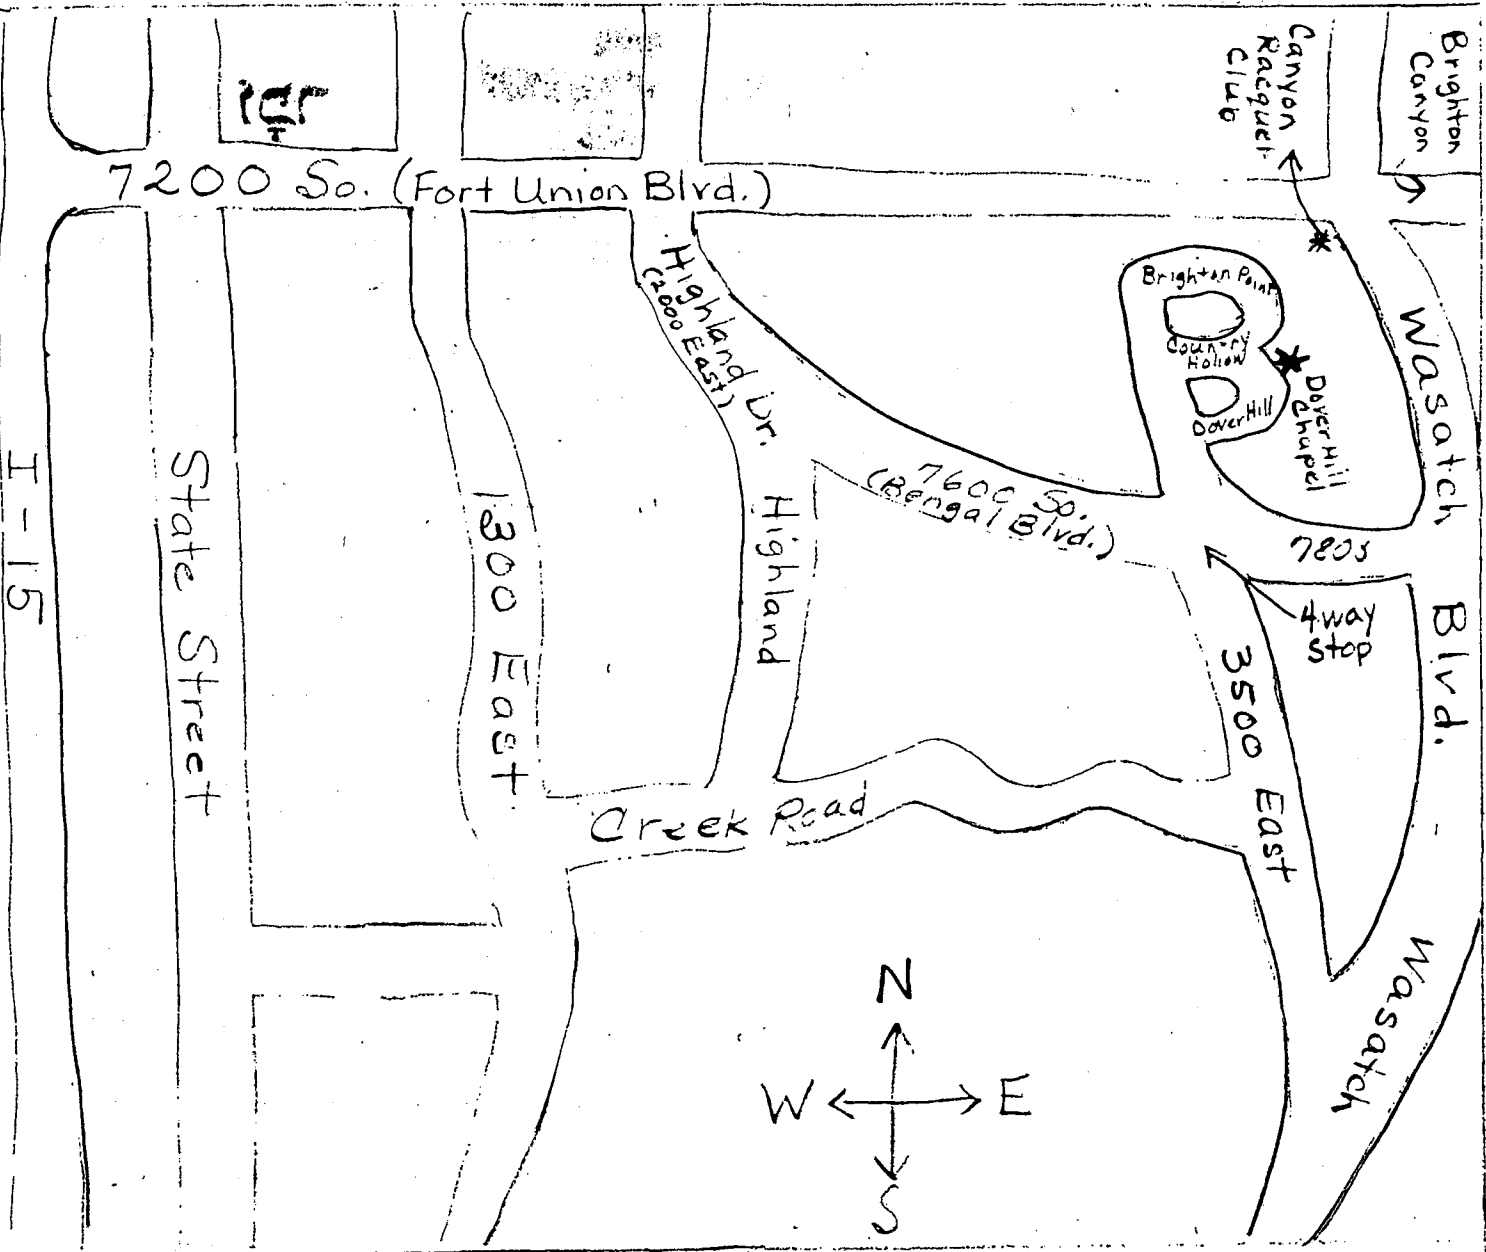

- Tell me, I forget.
- Show me, I remember.
